AN ORDINANCE REPEALING ORDINANCE NO. 105.

WHEREAS, Ordinance No. 105 of the City of Mulberry, passed and approved August 30, 1949, levied an annual collection of 6 2/3% against the assessed benefits in Street Improvement District No. 1 of the City of Mulberry, but no bonds have sold and no collections have ever been made, so that no rights have become vested by reason of said assessment ordinance, and the commissioners have adopted new and revised plans for the improvement which will result in a substantial decrease in cost to the property owners in the district, and it is desired to re-assess the benefits; now, therefore,

SECTION 4: That the effect of this ordinance will be to recall and set aside all of the proceedings of this District after the election and qualification of the commissioners.
